

Index to Volume I (March, April, and May, 1947)

UBEA Forum Index, a service to members and libraries, is prepared under the direction of Viola DuFrain. Dr. DuFrain, a member of the staff at Southern Illinois University, Carbondale, is well known for her active part in professional associations and as a contributor to our professional publications. She is UBEA State Research Chairman in Illinois.

The index for Volume II will appear in the next (October) issue of UBEA Forum. It is hoped that this service will be welcomed by FORUM readers.

—HOLLIS P. GUY,

UBEA Executive Secretary.
